QUESTION OF DIVIDENDS

M. and L. Turnpike Co. Fails to Con ply With the Law.

M. and L. Turnprike Co. Fails to Compute With the Law.

Pollowing is the report of State Inspector Gardner, who had been directed to investigate the failars of the Maysville and Lexington Turnpike Road Company, who have failed to comply with the law in making dividends:

To His Sectioney, John Young Brown, Covernor of Kentuchy—Str. An directed examined the report made by the Transarrer of the Maysville and Lexington Turnpike Road Company to the Auditor of Public Accounts from the year 1897 to the following statement:

January 1st, 1898, the Treasurer's report shows a bainner in his hands, 85, 1897, 1898, 1899,

This law is a re-enactment of the out law.

I know of no reason for such a large balance heigh held by the Treasurer, as In 1897, the repairs cost \$15.05 0.3; 1898, \$89.09 51; 1898, \$14.46 35; 1890, \$12.532 24; 1891, \$10.539 45; 1892, \$10.509 0.510, \$12.532 24; 1891, \$10.539 45; 1892, \$10.509 0.510, \$12.532 24; 1891, \$10.539 45; 1892, \$10.509 0.510, \$12.532 24; 1891, \$10.539 45; 1892, \$10.539 0.510, \$10.539 45; 1892, \$10.539 0.510, \$10.539 45; 1892, \$10.539 0.510, \$1

State Inspector and Ezeminer.

Remarks.—Mr. Gardner's report is misleading. Take the figures for 1894, for
example. He says the balance cash in
hands of Treasurer is \$41,750 is. This is
the total, it is true; but of this rum \$4,\$38 65 is to the credit of stockholders
who have not called for their dividends.
Besides, out of the remaining \$10,893 38
a dividend of 2 per cent. was deciared
on \$573 shares in April of this year,
which further lessens the cash on hand
by \$7,783, which has also passed to
credit of stockholders, and reduces the
artual amount in hands of Treasurer belonging to the company to \$2,514 38, instead of \$41,750 is as shown by Mr.
Gardner's report.—En. Ledokk.
